## **Acknowledgements**

Hampton Cricket Club is proud of the standard of its Annual Report, which would be the envy of most clubs. It would not be possible without the assistance of many people, and the club acknowledges the help of the following people, whose efforts are greatly appreciated.

**Andrew Gooden** for his President's report.

**Glenn Finkelde** for his Secretary's report.

**Anthony Gillbee** for his Treasurer's report.

**Ben Kezilas** for his Cricket Operations report

**Michael Curtis** for his Junior Manager's report.

**Peter Wright** for the Auditor's report.

**Dallas Voss** for compiling and preparing the report.

**Hamish Scully** for maintaining the club's web site.

**Hampton Cricket Club proudly acknowledges the Bunurong People of the Kulin Nation as the Traditional Owners and Custodians of the land on which we meet and play our cricket, and we pay our respects to their Elders, past, present and emerging**

## **Obituaries**

### **Bill Pewtress**

Bill passed away peacefully on 9 November 2021. He was 91 years old. Bill was appointed Club coach in 1976. Many of us had played against him and knew him as a tough, aggressive, competitive cricketer at both Carnegie and Clayton with a commanding presence on the field whether bowling or batting. He was described by many as 'a tough bastard' to play against – arguably the ultimate accolade for any sports person. Bill coached for 8 seasons and took the Club to its first Senior Division grand final in 1981/82. Unfortunately, we were beaten by the Gary Sobers coached East Malvern in a heart-breaking loss. Despite that loss, Hampton became a formidable and highly competitive side during Bill's reign. Hampton great Jim Kenny described him as a 'transformational presence' who 'reset the Hampton DNA', such was his influence on the Club. While well past his best playing days, Bill also made a significant contribution as a player including the 4th XI premierships in 1977/78 and 1980/81. He also won the 2<sup>nd</sup> XI batting and bowling averages in the 1979/80 season at the age of 50. Bill's contribution to the Club was not limited to player/coach. He brilliantly played the blushing bride in the hugely successful performance of the 'wedding of the year' (Muriel's Wedding) at the Clubrooms in the early 1980s. Many say it was the funniest night ever staged at the clubrooms. He truly was an all-rounder. Bill's playing career started as a junior with the Clarendon Cricket Club in the 1940s. Later he was captain and/or coach at clubs in Middle Park, South Melbourne, Carnegie, and Clayton before he came to Hampton, notching up five premierships along the way. Bill also coached the Victorian U14 Schoolboys team in 1963/4, a side which included Hampton's junior stars John Stephens (a future State player), Michael Brinkman and David Senini. Bill holds Life Member status at no less than three clubs, plus at the VJCA/VTCA where he served as president for 14 years. Additionally, Bill played A Grade baseball for many years as well as being a very capable golfer. Bill was named our Coach of the Century in 2008, inducted into the Hall of Fame in 2012 and was made a Life Member of the Club. Bill was awarded the Order of Australia medal in 2014 for services to cricket. His late wife, Margaret, a former president of Netball Australia and board member of the Australian Sports Commission, was also awarded the OAM in 1989 for her contributions to women's sport and has a sports commission memorial award named in her honour. Despite his long and varied cricket journey, Bill maintained that his time at Hampton was where his fondest memories lay. He believed the honours he received at Hampton were just the icing on the cake in his long sporting career. Even last year, at age 90 and following a bad fall, Bill regularly drove up from Phillip Island to watch the First XI and reminisce with the past players. He had a lifetime love of cricket and was a great storyteller and raconteur. Bill was one of a kind and will be sadly missed.

Condolences to Bill's family especially sons Steven and Ian who both played at the Club in the 80s and 90s.

### **Ian Cooper**

Ian passed away peacefully on 14 December 2021 after a long, brave fight with cancer. He was 75 years old. 'Humper' first joined Hampton Cricket Club in 1967 and then again on his return from WA in 1972. Brothers Bill, Graeme, Russell, Raymond, Noel, Colin and Laurie followed to create, along with Russ's wife Josephine, a Cooper dynasty at Hampton. What a family – what a contribution! In the words of the late Jim Kenny, 'Humper' "had a touch of magic about his game; he often did the improbable ... occasionally the impossible." He was a right arm fast/medium bowler and powerful left-handed batter. A great slip fieldsman – as good as Hampton has seen. 'Humper' played almost exclusively in the first XI, displaying a great determination to impact every game he played – yet finding humour in even the direst situation. He was an attacking middle order bat plus he opened the bowling, winning the bowling averages in 1976/77 to complement the batting average won in 1969/70. Contemporaries cannot recall him dropping a catch – he had soft, bucket-like hands. He was a great field in any position. John Wintle recalls a game where Hampton had to beat Hightett to avoid relegation. We were 8 down with 70 runs required when Wints joined 'Humper' at the crease with only Jim Kenny, nursing a broken arm, to come. Humper told Wints to play no shots and "he would get the runs". With 7 to get Wints hit a six and 'Humper' strode down the wicket and tore strips off him for failing to obey orders! Wints was run out the next ball but with 'Humper' safe at the batting end he scored the winning runs next ball with the injured Kenny struggling from the other end. Relegation avoided. 'Humper' played 69 VFL games for St Kilda from 1964 to 1969, kicking the first ever goal at Moorabbin. He was selected in the Victorian team in 1968. 'Humper' was not just a member of their only premiership team – most scribes believe he

would have won the Norm Smith medal in the Grand Final had one been awarded in those days. A vote by the Herald Sun reporters awarded him BOG by a large margin. An untimely and debilitating bout of Rheumatic fever ended his VFL career in 1969 but he recovered sufficiently to play for Swan Districts in the WAFL and was also selected in the WA State team in 1971. 'Humper' returned to Victoria in 1972 and played at Sandringham in the VFA, kicking 104 goals in the 1973 season despite lingering effects of the illness. He subsequently coached Hampton Rovers in 1980 and 1981. Ian Cooper was a larger-than-life character – always up for a laugh and a teller of tall tales – an inspirational player in every team in which he played. He made things happen and he made people laugh. He will be greatly missed.

Condolences to Ian's immediate family Jill, Sarah, Kathryn and Joanne and to the broader Cooper clan.

### Anna Kenny

Anna Kenny passed away earlier this year and was married to club legend Jim Kenny. Jim and Anna were close friends since the late sixties, Jim was Secretary and Peter Wright was president during the seventies and early eighties. Peter recalls back then that Anna's patience was tested as the front dining room had score books from the previous 25 years. This was Jim starting the early writing of his now famous club history book. I am sure they will be looking down knowing that the Club is in good hands. Anna was an amazing woman who never complained about her debilitating back pain for the last 20 years. She gave great support both on and off the field to Jim and their siblings Sam, Joe, Matt & Jess. She rarely missed a game where her children and then her grandkids were playing. Anna formed part of the ladies committee of the seventies and eighties when the club social activities were booming. We loved her bubbly company at the many social functions that she attended. Anna was a kind, caring, passionate lady who left us probably knowing she had so many friends who loved her dearly. This was borne out at the large attendance at her funeral service. Everyone at the club misses her company and comradeship. Goodbye Anna. Give our best wishes to Jim. We miss you both.

Condolences to all the Kenny family and friends.

### Ken English

Ken English passed away on the 1st of January 2022 aged 75 years. Ken joined the Club from Sandringham CC in 1973 and immediately earned a place in the premiership winning 1st XI. In the grand final Ken played a major role taking 5/25 to rout Moorabbin in the second innings to set up a relatively easy outright win. In that season Ken took 35 wickets for the 1st XI including 8/20 against his old side. Not tall for a fast bowler, Ken was a genuine speedster who bowled a 'heavy' ball from a short run-up. He unsettled many who played against him plus many more who had to face him on the turf practice wickets at the David Road oval (now the Boss James Reserve). In the 1975-6 season Ken joined a select band taking 9 wickets (for 17 runs) in an innings against Glenhuntly, setting a 2nd XI record. His match figures of 15/42 also remain a record for the 2nd XI. Ken also took other big bags of 7/24 and 7/29 for the 2nd and 3rd XIs respectively. He was clearly a match winner on his day. Ken more than holds his own among the outstanding quicks Hampton produced in the 70s and 80s and was highly regarded in VJCA Senior Division circles. Ken was an obvious inclusion in the 70s Team of the Decade and later as an inductee into the Hall of Fame. Ken's contribution at Hampton was not limited to the playing field. Ken served on the committee for several years and assumed the role of VJCA delegate before becoming Club Secretary in 1995-6. Ken later became the 1st XI Team Manager / Scorer for several years to conclude an association with the Club spanning some 25 years. His outstanding contribution to the Club was recognised by his elevation to Life Member in 1993. He will be sadly missed.

Condolences to Ken's family and friends.

## **Adrian Sirotic**

Adrian passed away peacefully on 25 February 2022 after a brave fight with illness. He was only 53 years old. Adrian joined Hampton Cricket Club in 1997 and while he only played for a few seasons due to a move to Canberra for work purposes, he was actively involved with the Club during this time. In only his second season he took on the role of Club Secretary with enthusiasm and commitment. Adrian played most of his cricket in the lower XIs and was described in Jim Kenny's book as "a cagey spin bowler". This saw Adrian win the 5XI bowling average in the 98-99 season with an impressive 26 wicket haul for the season. Adrian boasted a rare stat in that during his time with the club he took more wickets than he made runs! Adrian lived his life to the fullest and he will be greatly missed.

Condolences to Adrian's wife Trish and his immediate family and friends.

## **President's Report**

Another year impacted by the dreaded spicey cough!

However, a year of great progress and development across the club for sure. Our Juniors continue to impress in their quality of play and the quantity of teams on the field each week. Michael Curtis deserves our thanks as do all the junior managers, coaches and volunteers. We have so much to look forward to in the coming years as a by-product of all the work done in the past. The growth in the Girls' teams is so encouraging and deserves a special mention.

The committee would like to thank all the captains across all the grades this year. You have led beautifully as was reflected in being awarded the CSB 'Spirit of Cricket' award. Well done all. To the Committee and Cricket Operations well done. We did have the competition turned into a one-day only contest again which is certainly not our preferred options across all Teams. I can confirm that we will be returning to 7 two-day games and 7 one-day games for the upcoming season. The format is identical to that of that wonderful year where we won at Championship level.

As I enjoy doing every year, a special mention to Anthony Gillbee and Glenn Finkelde for their continued contribution to Hampton Cricket Club. We marvel in the amount that this pair contributes, with the Junior development being close to their hearts. I am so grateful for our friendship and shared love of the Club. Thanks to those that assisted with the functions this year, Mark Anderson and Rod Rae were noticeable contributors supported by many others.

Others to thank include Ben Kezilas, Paul Bowden, Sam Kenny, Alex Roney, Abe Kenny, Dallas Voss, Chris Smith, Peter Wright, Craig Nott and David Lever. Great job all.

Thank you to Matt Kenny and Charles Ross for leading the club at a broader level, but with a focus on the First XI. I look forward to Matt's further contribution and I am delighted to announce that Justin Forbes will be our Club coach for the upcoming season. We are thrilled that he has accepted this position.

To our families many thanks for supporting us in being Hampton cricketers and supporters. It is greatly appreciated. So, here's to the upcoming season. It should be a ripper.

Go Hammers.

## **Secretary's Report**

It's hard to write this without considering the context of the last two and a bit years. Community sporting clubs have reflected the struggles of so many in the community, but in many respects, it has forced the people who administer these clubs to adapt. To seek out new ways to survive. To look for new revenue sources. And to look for growth areas.

Hampton was probably already on this path, but the challenges of the last couple of years have accelerated (and definitely focused) this change. It's amazing to think that 2 years before Covid hit we had 5 senior teams and 11 junior teams. We didn't have a girls' program. Our introductory programs (Junior Blasters and Master Blasters) were decent, but by no means spectacular.

Since then, we have added 2 senior teams which have served the dual purpose of bringing some older players back to the game, while helping to develop some of the younger stars. In many cases this has been with fathers and sons in the same team – which from personal experience is also enjoyable for other players in the team. Speaking to some parents last year it would seem there is more demand for growth which we are happy to accommodate

Next season we will have at least 23 junior teams which is an amazing effort from Michael Curtis (reigning Harry Sutton Trophy winner for best club person) and his wonderful junior committee.

Four of these teams will be girls' teams – and although we don't have a women's team yet, hopefully it isn't too long until we have an organically created women's team, of girls who have trod the pathway from Blasters to Senior cricket, as many of their male counterparts have done. Of course, we'd love to see the re-introduction of a Hampton women's team – but in the meantime we will work on making our girls program the biggest and best it can be.

And our introductory programs have over 160 kids in them, providing a sustainable pathway into hardball cricket.

This all hasn't happened by accident. Along with the amazing work by a wonderful band of volunteers, as a club we've put investment into junior cricket – through a relationship with the Australian Cricket Institute (which we'd love to extend) and coaching clinics through the school holidays. Combined with this is the reintroduction of the Hampton Academy this year to help kids move into senior cricket. We will continue to look at ways to give more to the development of our kids

This has created challenges – people and facilities the big ones. As I said, the junior committee, coaches and managers have done an amazing job. We thanked them at an informal function before the end of the season, but it would be remiss of me not to do it again. With regard to facilities – we've already had meaningful discussions with Bayside Council about shoring up more permanent grounds for our juniors – hopefully 2022/23 will see the fruits of these efforts.

On the field, well done to our 3 junior sides who made it through it to Grand Finals, and especially the Sunday U12C side who achieved the ultimate success. As much as we've focused on Development, Participation and Fun for our juniors – there is nothing like achieving premiership glory. May it be one of many flags those kids play in for the Seahorses.

To Andy – thanks for your support, friendship and leadership. So much of what happens around our club is unseen – and so much of that is done by you. There have been few more deserving life members than you – congratulations again for receiving that honour.

To Gibb – Ctrl C, Ctrl V from every other year. This club continues to owe you an amazing debt of gratitude. Thanks again

To Ando – his passion for the club is endless. Sometimes it frustrates you, but that is what we love about you. Your work with the events was as always, superb

To Rod for looking after sponsorship and Chairman of Selectors – super stuff

To Hamish again, so much of what you did was behind the scenes – but not unappreciated by those who know!! Best of luck with the next stage of your life

And to the rest of the committee – simply, thank you

Again, to Beth – thank you for your support. You know me better than anyone, and you know that part of what makes me tick is my time spent at Hampton. Thanks for encouraging that. Many wouldn't, but I know that you always would

Roll on 2022/23 = Go Seahorses

## **Treasurer's Report**

I am pleased to present the financial reports of the Hampton Cricket Club for season 2021/22 for your consideration.

Firstly, on behalf of the club, I would like to thank all our sponsors; please see the previous page for their details. It is great to see that these businesses have been willing to maintain a financial contribution for many years now, and I ask that all Hamptonians make every effort to support our sponsors. This season these businesses contributed over \$14,000 to our club, without this kind of support we could not offer the level of professionalism and facilities that we provide without a substantial increase in subscriptions.

Little Real Estate continued as a major sponsor via a massive contribution of \$8,000 and in a great show of commitment have already paid for next season. If you have an investment property please get in contact with Andy Gooden to see what the great folk at Little Real Estate can do for you. This season saw Plant Access join the club as another major sponsor coming on board with a big thanks to Junior Coach and parent of two Hampton Juniors, John Harris for helping to make this happen. Rod Rae, Michael Curtis and Peter Wright are also valued supporters of the mighty Seahorses. SuperMembership continued to be a valuable income source contributing around \$7800 to the club's coffers. Junior subscriptions broke the previous maximum by a few hundred dollars bringing in close \$44,000 thanks to the great work of the junior committee lead by Michael Curtis off the back of 17 junior teams and an ever expanding girls' program. Junior Blasters and Master Blasters net income was almost double from the prior season and the numbers coming in from that base augur well for the expansion of our junior program in the coming seasons. A huge thanks to Paul Bowden and Dave McGuigan for leading these programs and their army of helpers.

The late start to the season was of little concern financially as the club posted a profit of \$14,321.89, making it almost \$43,500 profit in 2 seasons. Off the back of those 2 results the club made the decision to defer some sponsorship income to next season along with the funds from the Toyota raffle. This money has been earmarked to improve the practice nets and expand our junior coaching program through the academy and more involvement from the Australian Cricket Institute. There were also a number of invoices for coaching, presentation night and the final supermember draw that were accounted for. As we accrued the presentation night expense it was only reasonable that we also accrued the income and there was some unpaid sponsorship as at 30<sup>th</sup> April. I'm please to say that the sponsorship has now been paid. I'd be very surprised if many suburban cricket clubs could match our financial strength with over \$100,000 in the bank and no long term debt.

The single biggest difference between this season and last is a \$21,000 increase in coaching expenses as we returned to paying some senior players and made a significant investment in our junior coaching program with the Australian Cricket Institute, Maddy Negri as a dedicated girls coach and a number of senior players coaching our juniors. Our bar margin dropped slightly to 60%, still a good result. Despite the abbreviated season and reduced social functions bar income was \$35,636 with around \$22,000 being retained as profit. As always Lefty gets a great deal of the credit for this with his Thursday night meals.

The financial result reported on this page is but one part of the success of the Hampton Cricket Club. The club is going from strength to strength increasing from 6 senior teams to 7, maintaining 17 junior teams and over 150 children participating in Master Blasters and Junior Blasters is an indication of a great club that is getting greater as the years pass.

In closing I would like to thank Danielle for her ongoing support and understanding.

HAMPTON CRICKET CLUB INC.  
REVIEWERS REPORT

TO THE HAMPTON CRICKET CLUB

I have reviewed the accounts set out in the annual Report.

In my opinion

- a. The statements of Receipts and payments for the year ended 30<sup>th</sup> April 2022 and balance sheet as at 30<sup>th</sup> April 2022 are properly drawn up so as to give a true and fair view of the club for the above shown period according to the information supplied, the explanations given and as shown by the books of the club.
- b. Proper accounting records and other registers required to be kept under the rules have been kept.
- c. There were no defects or irregularities in the accounts.

## **Cricket Operations Report**

It felt like 2020 all over again as our pre-season training was cancelled due to lockdowns after just two sessions. We once again were forced to cancel the Junior Academy, there would be one-day cricket only for the second consecutive year and the season start date was pushed to November due to Covid related lockdowns. As a result, there was an incredible amount of planning that was ultimately fruitless and we ended up having to ride the Covid wave once again. Despite this we were blessed during the season with only minimal impact from the pandemic, a stark contrast to our winter sports colleagues who completed just half a season in two years.

For the first time since the 1990s, the Club fielded 7 Senior sides. A remarkable achievement and one everyone at the Club should be very proud of. Giving more people the opportunity to play cricket in a great environment is what we are all about and it was exciting to see more Junior involvement, both kids and parents.

It was a season bereft of silverware for the Club with our 4<sup>th</sup> XI led by **Craig Nott** and **Jono Carstens** and 3<sup>rd</sup> XI led by **Glenn Finkelde** going closest, missing out in the first round of finals. A year of two halves for our 1<sup>st</sup> XI going to the Christmas break 0-5 before winning 6 of their last 7 to finish just short of a semi-final appearance. Perhaps the side most impacted by player health and travel issues it was a disappointing year for the 2<sup>nd</sup> XI nonetheless as wins were few and far between. Spreading our Sunday resources across three teams had some impact on performance as all three sides missed finals.

A terrific result at the CSB Awards Night with our Club taking out the Spirit of Cricket Award. Great to see some acknowledgement of outstanding years by **Charlie Ross** and **Jarrod Munday** as they were selected in the CSB Championship Division Team of the Year. Recognition too at the CSB Awards night for **Jono Carstens** (Sat One Day Div 2 Batting), **Jono Whelan** (Sat One Day Div 2 Bowling), **Rod Rae** (Sun One Day Div 1 Bowling) and **David Crewdson** (Sun Div 3 Batting).

All in all, it was another challenging year with plenty of curveballs thrown our way. Important to acknowledge and thank those who ensured we were able to play the game we love and create a great environment for us to do so.

**Charlie Ross** was incredible in his first year as 1<sup>st</sup> XI skipper. Charlie's leadership skills both on ground and off, his coolness under pressure and his ability to relate to and get the most out of all his players was exceptional. That is evidenced by the renaissance of Chris Ellison bowling frugal middle overs and the left-field introduction of Louis McAsey to the side. Charlie's contribution in his role as Bowling Coach was also highly impactful as he worked closely with several developing young players.

As Senior Coach for the third straight year, **Matt Kenny** provided a terrific training environment that enabled our players to get the best out of each other and themselves. He was ably supported by **Justin Forbes** as Assistant Coach after Juzzy's playing season was cut short by a significant knee injury. I look forward to the year ahead where this Coaching team will take cricket experience to the next level.

**Jono Carstens**, **Russell Anderson** and **Craig Nott** all made significant contributions both as on-field leaders in their respective XIs but also members of the Cricket Operations team. I genuinely appreciate the counsel of these guys and our Club is a far better place for having them around.

**Rod Rae** took on the role of Chairman of Selectors with great enthusiasm and gave the role the energy and positive intensity that it truly needs. His analysis, advice and recommendations were truly valued by all captains and coaches.

Shout outs to **Dallas Voss** and **Chris Smith** for their tireless efforts in preparing high quality turf wickets for our teams to play on week in, week out. Fantastic recognition for Dallas with Boss James Reserve taking out the "Ground of the Year Award" from CSB. An amazing result when you couple it with the fact we were able to train on the centre wicket every Thursday night after Christmas which was an incredible advantage for our 1<sup>st</sup> XI. There is certainly no coincidence that we were able to put five wins on the trot during this time and catapult ourselves back in the mix for finals heading into the last three rounds.

Big thanks to **Peter Wright**, **Sam Goold** and others who took on 1<sup>st</sup> XI scoring duties throughout the season. It is a significant commitment and I know our 1<sup>st</sup> XI are really appreciative of your efforts.

I would specifically like to call out the support of President **Andy Gooden** and Secretary **Glenn Finkelde**. Our Club runs on the contribution of too few but the contributions of these two are immense. Thank you both for your guidance, support and for simply making our Club a great place to be around.

Big thanks to all the families of all volunteers at the Club. I certainly understand the strain the hours can put on home life. Specifically, I would like to thank my wife **Kate** and the kids for all their support to enable me to do something I love.

As we look forward to a more "normal" pre-season with the expectation of October cricket for the first time in three years, our Club is in an incredibly strong position. We have a great opportunity to capitalise on our growth and set ourselves up to be a powerhouse in CSB for years to come. To realise our potential, we must continue to leverage our strengths and build on our "One Club" mantra.

## **Junior Manager's Report**

The massive growth of junior cricket continues unabated in the Bayside region and the Hampton Cricket Club once again welcomed record numbers across boys/girls and teams for the 2021/22 Junior Cricket Season. As a club our overarching philosophy is to teach the kids the fundamentals of the game in a fun and safe environment that leads to a passion for cricket.

It was great to have junior sport return with the COVID related challenges the prior season. However, we still did have some challenges with the season being impacted by many teams having to forfeit a game or two due to unavailability of players due to quarantine.

### **Our Volunteers – Coaches and Team Managers**

Clearly with so many kids keen to play cricket this only becomes possible thanks to the generous support of the Hampton Cricket Club community, families and friends. The Mums and Dads that stick their hands up and take on the roles as coaches and managers are worth their weight in gold. Without these people our teams and by default your kids wouldn't get to play.

On behalf of the Hampton Cricket Club Committee our sincerest thanks to all the parents, carers, friends and family that give up their time to take on the roles of coach, manager, scorer, driver, net helper, snack provider, uniform washer or any of the other endless tasks that go in to getting our teams out on the park each week.

### **Junior Blasters**

Our Junior Blasters increased again in numbers to 67 from 54 last season including 8 girls. Paul Bowden, Daisy Flockhart, Taylor Jones and Simon Power were charged with introducing cricket to our youngest members, we're extremely grateful for their efforts in what is a challenging and critical role in welcoming people to our club for the first time.

### **Master Blasters**

We pride ourselves on nurturing the kids' desire to play the game with 'Woolies Junior Blaster' for children typically 7 and above. Due to the growth of the Master Blasters program at Hampton with 13 teams this season, we again ran our own Master Blaster program each Saturday morning at Boss James Reserve.

Dave McGuigan took on the role as Hampton's Master Blaster coach and he did an amazing job co-ordinating with our 108 kids (up from 67 season before) spread across 13 teams. These teams were well led by coaches Paul Kavanagh, Chris Burley, Mark Avery, Sam Fitzpatrick, James Edmonds, Helen Brown, Simon Power, Derek McDonald, Nick Waterhouse, Lee Corbitt, Catherine Quinn, Gary Hardie, Adam Priddey, Nat Parbhu, Nick Vakrinos and David McGuigan.

We look forward to welcoming those kids that will progress to Under 12 Rookies next season with the Seahorses and of course those kids that may have another season at Master Blaster.

### **Underage Teams**

Our remaining 17 underage teams had very positive seasons all round, with coaches across all teams impressed by the improvement of individual skills and team collaboration and match understanding of our boys and girls.

While we are not solely focused on winning as a club, it was great to see **six** of our teams playing in Finals with the **14C Friday** team coached by Michael Curtis, **Sunday U12C** team coached by Nick Myers and **Saturday 12C** team coached by John Harris making their way through to the Grand Final.

The Grand Finals were extremely tight throughout with 14C falling 2 overs short and Saturday 12C not able to chase a large total.

**Our 12C Sunday team won the grand final** passing the opposition score in the last over in a very exciting game!

Well done to all the boys and girls who played this season, you have had a fantastic season and the way you represented your families and the mighty Seahorses during the Final was simply sensational.

I also wanted to highlight the importance we as a club place on our juniors playing senior cricket when they get the chance to, of course at an appropriate age and ability.

We field a Sunday One day senior development side colloquially known as "The Rebels" that is made up of 3-4 Senior players with 8-9 Under 16/14 players. This year the club welcomed a third Sunday side again made up of dads and junior boys, most of which played U14 this season.

**Junior Awards**

Due the size of the junior program we held Junior Presentation night over 3 nights which were very well attended at Boss James Pavilion.

Some explanatory notes for our Junior Awards:

**All Rookie Teams**

- These awards are at the discretion of the coach/manager and we encourage them to look for improvement over the course of the season in the major skill sets as identified.

**All other Underage teams**

- The Batting and Bowling Averages awards are determined by the player statistics over the course of the year with some minimum requirements in place regarding innings batted and wickets taken
- The Fielding and Coach awards are again at the discretion of the coach/manager.

**Junior Club Champion Award**

- This again is a statistical award with points awarded for all facets of the game (runs scored, wickets taken, catches completed, stumpings, run outs etc).

**Killara Medal**

- This award recognises those players that live the literal definition of Killara being "always there"....awarded on a 3-2-1 basis for each completed match, this award is often won by those players that regularly and selflessly go over and above for their team. It may be taking that clutch wicket to break a partnership or staying in at one end while batting doggedly protecting your wicket or supporting your teammate if a mistake is made. Arguably the most prestigious medal awarded each year at the Club.

## **Hall Of Fame**

The Hampton Cricket Club established the Hall of Fame during the centenary celebrations of 2008 with 3 foundation members inducted into the Hall of Fame.

The club constitution sets out the criteria for induction into the Hall of Fame: Members who **“embody the spirit of Hampton and whose achievements have shaped the culture and destiny of the club”**.

Below is the list of Hall of Fame inductees.

<b>FOUNDATION MEMBERS (2008)</b>		
George Morrison	Bill Costelloe SNR	Grantley Evans
<b>INDUCTED (2012)</b>

## **Perpetual Trophy Biographies**

The club awards a number of perpetual trophies named after individuals who have made significant contributions to the club. Details of these individuals are listed below.

### **W H (Bill) Costelloe (Club Championship)**

Bill Costelloe was one of the most significant figures in Hampton's long history. He joined the club when it reformed after the First World War and remained a force as both a player and administrator for the next 30 years. He was a fine cricketer in his own right having captained the 1<sup>st</sup> XI for a number of seasons and winning the 1<sup>st</sup> XI batting and bowling averages several times, including the double in 1937-38 and 1938-39.

However, he is probably best remembered as Hampton's foremost administrator of that era. He served as President of the club for many years but also filled numerous other roles including curator, social organiser, correspondent, association delegate and selector. He was the cornerstone of the club for over a quarter of a century.

### **R L (Ron) Paterson (Club Championship runner-up)**

Ron 'Banjo' Paterson was one of the key on-field contributors to Hampton's successful rebuilding during the late 1950s and early 1960s. Ron was a fierce competitor, a great fast bowler and aggressive lower order batsman. With another club legend, Kevin Gleeson, he formed one of the most feared opening attacks in the VTCA at that time. He was an extremely popular club-man and his sudden and untimely death at age 29 devastated the club. The R L Paterson trophy was struck in his honour and memory.

### **J T (Jim) Kenny (Killara Medal)**

Jim Kenny is truly one of the club's greatest players and was the first to reach 300 games. Starting in 1959-60, Jim amassed 349 games, scored 8,675 runs with a top score of 149, took 36 wickets and completed 199 dismissals. Some would argue that all this was achieved with scant attention to training! Jim's classical batting technique, coupled with his deep understanding of the game, equipped him to be a successful junior coach later in his career. His off-field contribution included many years as Secretary and further periods as a committee member, and in more recent times, 'The Godfather' to whom many have turned for sound advice.

### **G H (Grantley) Evans (1<sup>st</sup> XI batting average)**

Unusually for a Life Member, Grant did not play cricket. He is remembered as one of the great administrators, serving at various times as President, Treasurer, delegate, 1<sup>st</sup> XI scorer and Chairman of Selectors. He did not confine his activities to Hampton, as he was also a member of the then VJCA (now known as VTCA) executive for several seasons. On moving to Queensland, he was appointed Secretary of the Queensland Cricket Association in 1980-81, one of his early discoveries being that the score book from the famous tied Test of 1960-61 had been disposed of in the interests of saving space.

### **G E (George) Jackson (1<sup>st</sup> XI bowling average)**

George, competitive, uncompromising and with a temperament usually associated with fast bowling was an all rounder of distinction. A powerful and aggressive batsman and orthodox left arm slow bowler whose principal weapons were flight, control and accuracy, he played all bar the first three of his first 90 games in the 1<sup>st</sup> XI, won the Club Championship three times between 1960 and 1969, captained the 1<sup>st</sup> and 2<sup>nd</sup> XIs for several seasons and was also a long serving committeeman. A contemporary report described him as 'the most colourful, aggressive and provocative player in South A'. Equally, he was the first to invite the opposition to join him for a beer after the game.

**R J (Bob) Kilkenny (4<sup>th</sup> XI batting average)**

One of the club's genuine characters, 'Killa' was an attractive batsman and a bowler of some of the slowest and highest flighted leg-breaks in the history of senior cricket. Being a teacher, his appearances were limited as he spent several seasons in country postings. He was a member of the 2<sup>nd</sup> XI which posted Hampton's record score of 459. After a turf career spent chiefly in the seconds, he returned in the late 1960's to captain the 5<sup>th</sup> XI in the CMCA. His side, colloquially known as Killa's Commandos, included a high proportion of juniors, many of whom became the backbone of Hampton on and off the field over the next three decades. He was an extremely humorous raconteur whose style and content of match report is fondly remembered by players of his era.

**Ken English (2<sup>nd</sup> XI Bowling)**

Ken joined Hampton in 1973/74 and in his first year was a star in the South A premiership side. He took 35 wickets at an average of 12, highlights being 8/20 [and 11/35 for the match] against his old side Sandringham, and 5/25 in the second innings of a low scoring Grand Final against Moorabbin. In 1975-76 he achieved the remarkable figures of 9/17 and 6/25 in the Seconds against Glenhuntly. These are the best ever innings and match figures for the Seconds, and have been bettered only twice in the history of senior cricket at Hampton. Ken was also on the committee in 1976/1977 and 1977/78 and from 1991/92 until 1996/97, filling the role of assistant secretary in 1978/79 to 1980/81. Ken has filled many other roles in his time being both the VTCA and CMCA delegate and statistician. Right throughout the nineties and into 2004/05 has been the 1<sup>st</sup> XI scorer, mentor and critic.

**Len Manzie (Outstanding wicket-keeping)**

Len commenced his career in 1961, and despite having been absent from the club for some years, became the first player to reach the coveted 400-game milestone in the 2004/05 season. During his career, Len has scored over 5000 runs, with a highest score of 91\* and completed 300+ dismissals. After abandoning his wicket-keeping role some years ago, Len confounded everybody by re-inventing himself as a bowler! Not only did he win a 6<sup>th</sup> eleven bowling average one season, but his unconventional bowling action has seen the end of over 50 batsmen to date - so much for the unimaginative captains who refused to give him a bowl, and those who said he would never take a wicket!

Whilst Len has made a great contribution on the field, this pales into insignificance when compared to his off-field activities. Len has at times been Secretary, Treasurer and committee-man for many years, all of which duties he discharged without fuss, but with great commitment and competence. Len has won the Harry Sutton Trophy for Best Clubman three times, but, such has been his contribution in so many ways (and over such a lengthy period of time), there would have been little complaint from anybody if it had been awarded to Len every year. Perhaps the only aspect of Len which exceeds his contribution to the club is his personality - he has a generous nature, a wonderful sense of fair play, a great sense of humour and is genuinely respected by all who are, or have been, at the club during Len's time.

**Max Grimmer (Best 1<sup>st</sup> XI player)**

Max Grimmer started his career in 1958-59 and his on-field contribution can be explained only partly in his impressive statistics – Over 350 games, over 3000 runs and a sensational 750+ wickets. He has also been a highly regarded captain of both the 1<sup>st</sup> XI and 2<sup>nd</sup> XI, with a reputation for astute tactical judgement, an uncompromising attitude to success, but with an ability to get the best out of most players. His trophy cabinet contains many examples of the bowling averages he has won, plus many other visible reminders of his on-field skills, including the highly-prized Killara Medal.

Max's off-field contribution has also extended to being Chairman of Selectors on many occasions and preparation of the David Street wicket. Above all, Max has always been an astute adviser on almost every aspect of cricket and his opinion has been as highly-valued as it has been sought. His contribution to the Club was recognised in the award of Life Membership some years ago, as well as the Harry Sutton Trophy in 2001-02.

**W H (Harry) Sutton (Best clubman/woman)**

Harry Sutton joined the Hampton Cricket Club in the mid-1950s at a time when the club was descending to one of the lowest points in its history. A few people stood between the club and extinction at that time and prominent among those was Harry Sutton.

As President he used his great people skills to galvanise support for a rebuilding program and laid the foundations for the modern club. Among other things he presided over the club's expansion from two to four teams and the introduction of junior cricket to Hampton for the first time. After his retirement he remained an enthusiastic organizer of the Hampton past players group. The Harry Sutton trophy was struck in recognition of his outstanding contribution at such a critical point in the Club's history.

**J M (John) Kenny (Junior Club Championship)**

Although he was only directly involved at the Club for a little over a decade, John Kenny's influence at Hampton was profound. He was one of a small group of club members who initially saved and later rebuilt the club during the late 1950s and early 1960s. John was the driving force behind many initiatives including the establishment of the Hampton juniors, developing the now famous "statistical reviews" and undertaking extensive research on the Club's early history. Apart from his contribution to the Club's administration he was also a fine opening batsman in the successful teams of the 1960s, a part time left arm spinner and a classic cover fieldsman.

**Alan Broadbent (Most Improved player)**

Alan joined Hampton in 1981 at the age of 45 and began a wonderful career with the club, which saw him make over 1,000 runs and complete just on 350 dismissals in 255 games. At various times he assumed the role of President, Secretary, Vice President and was a member of the General Committee for many years. Even when he held no formal office he would give generously of his time and was always a source of wise counsel, not only in relation to club matters but at a personal level as well. As a cricketer Broadie never made it to the First Eleven but will be remembered as one of the most courageous players to don the blue and gold cap. He took many blows to his body both batting and keeping; he wore these many bruises as badges of honour and his regular visits to the Sandy Hospital casualty department became legendary.

**Ted Anderson (Best Club man or woman – Junior section)**

Ted first played at the Club from 1952 to 58 as an attacking batsman, off spin bowler and an outstanding fielder in the 1<sup>st</sup> XI. He returned to the club in 1978 playing a few games in the lower XIs including taking 10/21 in one match for the 6<sup>th</sup> XI. His greatest achievement however was in reshaping the junior section. Ted took charge of the junior development program and implemented a disciplined but highly empowering approach to coaching juniors. Many would comment that Ted revolutionised junior coaching. In his first year the Under 16s won their first ever flag and in 1983-84 Hampton achieved the near impossible - triple A grade flags for the U12, U14 and U16s. Many future great Hampton players emerged during Ted's tenure including Clint Ferguson, Brendan Curry, Paul Chernikeeff, Gary Hetherington and Sam Kenny. Ted left a great legacy that is the foundation for the success of our excellent current junior program.

**Vince Palamara (Duck-of-the Year Award)**

Vince Palamara ('Ponga' to his friends) played at the club from 1975 to 1997 while returning again to finally finish up in 2009. Vince commenced his career as a pace bowler claiming a total of 69 wickets but quickly established himself as a quality batsman who made almost 4,500 runs, with a top score of 125, in many respects belying the trophy which carries his name. He was also a fine gully fielder. Vince has been a constant and willing contributor to the club in many aspects and frequently delighted his friends and teammates with some of his social antics, particularly so when the fires of youth were burning within!

**Club Championship: W.H. Costelloe Shield**

Criteria for the award of points for the club championship is as follows:

Run	1 point	Wicket	12 points
Catch	5 points	Stumping	5 points
Assisted run out	5 points each player	Unassisted run out	10 points

To reflect the difference in standard between grades, points earned are discounted as follows:

1st and 2nd XI - Full value 3rd and 4th XI - Full value less 10% Other XI's - Full value less 20%

If a player played in 2 games over the one weekend only the points from the higher XI were included. 20-20 games are not included.

This Year's Club Champion is **Charlie Ross**

## J T Kenny Killara Medal

The Killara Medal was established in 1975-76 to reward the outstanding team player as determined by the captains in all senior elevens and the Junior Manager in junior elevens. Votes are awarded for each game on a 3-2-1 basis to recognise effort and endeavour, rather than for statistical achievements. During the 1987-88 season the award was renamed the 'J T Kenny Killara' as a lasting reminder of the tireless efforts of Jim Kenny, including playing over 300 games and lengthy periods of service in many areas.

This Year's Killara Medallist is **Jonathan Carstens**

## **Junior Club Championship: J. M. Kenny Shield**

The Junior Club Championship has been won by some extremely talented players, as indicated below. Many of these have gone on to become very capable senior players at the club and several have played District 1<sup>st</sup> or 2<sup>nd</sup> XI cricket. The award was dominated for several years by the Ferguson brothers, Clint and Justin, who between them were successful on eight occasions, a record which is unlikely to be matched.

This Year's Junior club champion is **Jake Fix**

### The Order of the Hook

This award was established in the 1976-77 season when Doug Powell became the first Hampton player to play 200 games with the club. The occasion is marked by the presentation of an antique pewter mug which is hung on a commemorative board at the club. Current players are shown in bold type.

The career records of members of the Order are continued on the next page:

## **John Wintle Medal**

Until season 2002-03, there had been no trophy to recognise the exceptional achievement of playing 300 games with the club, yet six players had done so by the end of season 2001-02. The committee decided to acknowledge this milestone by inaugurating The John Wintle Medal, thereby also honouring one of the club's finest players.

John Wintle, who commenced his career in 1960, was the second player to reach 300 games, and held the club record of 376 games until this was surpassed by Len Manzie in season 2002-03. During these 376 games, 'Wints' captured 975 wickets, and in his youth, struck fear into the hearts of many a batsman. In his later seasons, his scorching pace was replaced by guile and cunning, yet he was still most effective. His batting was often characterised by big hitting lower down the order and his highest score of 51 came late in his career. His fielding could best be described as 'entertaining', as was his whole attitude to the game of cricket - his wry humour on the field turned many a dull game into a memorable occasion. Nonetheless, he was a resolute competitor and a shrewd judge of the game. It can be truly said that John Wintle loved and respected the game of cricket in general, and Hampton Cricket Club in particular.

The club has provided a fine cabinet which houses medals for each of the players who have achieved this milestone.

During season 2021-22, both **Simon Green** and **Anthony Quon** played game number 300 for Hampton Cricket Club

## **W H Sutton Memorial Trophy**

This award was established in the 1976-77 season to commemorate Harry Sutton, a former President of the club for six years until 1960-61 and Life Member. Harry saw the club through a turbulent period when extinction was a possibility. His premature death was a blow to the club, particularly to those who played in the lean years.

The trophy is awarded to the person who makes an outstanding contribution to the running of the club during the season.

This year's Best Clubman is **Michael Curtis**

## Ted Anderson Award

### Best Club man or woman – Junior section

The Ted Anderson Award was established during the Centenary Season to acknowledge a man or woman who made an exceptional contribution to the development of junior cricket at Hampton. The Award has been designed to acknowledge one particular season when Ted coached all three junior elevens to "A" Grade premierships, a feat not equalled in the CMCA before or since. The trophy will be awarded annually to the person adjudged by the committee to have made an exceptional contribution to the Junior Section of the Club.

This Year's winner is **Simon Power**

## Len Manzie Trophy

### Outstanding Wicketkeeping

This trophy was inaugurated in the 1997-98 season to acknowledge Len Manzie's contribution to the club. It was decided that Len's contribution should be acknowledged with a perpetual trophy for wicket-keeping achievements, on two grounds. Besides being Len's first love (he started at the club in 1961 as a wicket-keeper/batsman), it was the one area of the game which had been unrecognised with a trophy at the time the committee initiated the award.

This Year's winner is **Jarrod Munday**

## Max Grimmer Trophy

### Best First XI player

Inaugurated in 2000-01, the rationale for this trophy was that the ultimate recognition comes from one's peers and it was agreed that players in the 1<sup>st</sup> XI would award votes on a 3-2-1 basis for the best player after each game. This award is naturally highly regarded by the players. The naming of the award was seen as an excellent opportunity by which to acknowledge and commemorate the contribution made to the Club by Team of the Century captain, Max Grimmer.

This Year's winner is **Charlie Ross**

## **Michael (Mike) Mclean Award**

### **Team of the Season**

For several seasons now a 'Team of the Season' has been selected to reflect the performances of players across the various teams. The selection panel comprised of the captains from all elevens. In season 2009-10 it was decided to recognise the efforts of Mike Mclean and name The Team of Year in his honour in perpetuity. Mike was a great administrator serving over 10 years on the committee, with 7 of those as a member of the executive, Life member and Order of the Hook recipient.

Voting was based on performances throughout the season and the team was selected taking into consideration "team balance".

Despite the inherent difficulties in selecting such a side, the following players were duly selected and the Club congratulates all those selected:

The team is in batting order.

**Vince Palamara**  
**Duck-of-the Year Award**

This trophy was established to acknowledge the fact that cricket is a great leveller - a rooster one day and a feather duster the next. Vince Palamara once had a season so dismal, that it simply had to be immortalised with a trophy - consisting of a cricket ball passing through the middle of a cricket bat. The trophy, incidentally, was made by Glen Powell who, shortly after completion, got the chance to hold it in his possession for a year!

This Year's winner is the **3<sup>rd</sup> XI vs Beaumaris**

## Statistical Section

This section contains the following:

1. Batting and bowling averages for each eleven for the 2018-19 season and a summary of each eleven's performances.

To be eligible to win the batting or bowling average for a respective eleven, a player must have:

- played at least 50% of the games played by that side over the season
- made a minimum of 100 runs in that side for the batting average
- bowled at least 50 overs in that side for the bowling average (**30 overs in One Day Divisions**)

In the averages, players who played in at least 50% of the matches have their performances listed in tabular form; those who played less than 50% of the matches are shown as 'Also batted' or 'Also bowled'.

2. Some outstanding team and personal performances for the season.

Partnerships are shown by including the wicket for which the stand was made in brackets, therefore 59 (3) indicates a partnership of 59 runs for the third wicket.

Unless otherwise stated, first innings scores where less than ten wickets have been lost are compulsory closed.

3. A record for each player for season 2018-19 plus career records for each player who represented the club in competition matches during the season.
4. Club records.
